Did you know that?...

“82 percent of Americans who don't currently play an instrument wish they had learned to play one.” (Gallup Poll)

“96 percent of public school principals believe that participating in music education encourages and motivates students to stay in school longer.” (Harris Poll)

“Students in music appreciation scored 63 points higher on the SAT verbal and 44 points higher on math than students with no arts participation, according to the The College Entrance Examination Board.” (College-Bound Seniors National Report)

“Students in the arts are found to be more cooperative with teachers and peers, more self confident and better able to express ideas, according to a Columbia University study” (The Arts Education Partnership)

Music making has been scientifically proven to:

- exercise the brain
- inspire creativity
- increase productivity
- fight memory loss
- reduce stress
- lower blood pressure
- stave off depression
- enhance cognitive development in children
- build confidence
- create social connections/bonds

We are very, very proud of our lesson program at PM Music. PM Music is currently offering private lessons on guitar, bass guitar, drums, percussion, piano, voice and music theory.

- Our faculty are some of the finest teachers and performers in the Jackson area. Our students have the opportunity to learn and perform with professional musicians. And just so you know, our instruction is not just for kids. It's never too late to begin to enjoy making music! We have a high percentage of adult learners. From beginners to "weekend warriors" who want to advance their skills, the teaching staff at PM Music will have you playing like never before!
- **Private music** lessons are typically 30 min. one-on-one, weekly lessons. The tuition is typically \$80 a month.
- **PM Music Rock School** is for musicians, ages 8 to 18. You will receive eight 1 hour rehearsal sessions and then perform a 3 song concert. With very little experience Rock School puts you in a
- band.
- *David Gaines, Lessons Manager at PM Music*
 - David graduated from Jackson State Community College as a guitar performance major. He performs in several groups in the Jackson and the surrounding area. David also is an adjunct faculty member at Dyersburg State Community College teaching classical guitar and a member of the Lambuth University Classical Guitar Ensemble. Besides classical guitar David also teaches beginning guitar, jazz, rock and blues guitar, and music theory.
